

Adult Faith Courses (Wind & Water)

This Course series is designed to empower you and all those who serve the Church. We believe that Faith Formation is a lifelong journey of learning and discovery. Continuing Faith courses are a great way to expose yourself to a variety of interesting subjects. We invite all adults the opportunity to develop relationships with other adults. We want you to experience this in a relaxing environment with inspirational short videos and presentations that will spark conversations, inspire prayer and awaken the call of God's love with you!
