At St. Clare our 3k and 4k program meeting during the same time as the family faith formation which is at 9:30am on Sundays. Older 2 year olds may also be able to join this group if they are fully potty trained and are able to be in classroom away from their parents. Preschoolers will learn about the monthly topic in age appropriate ways which include crafts and activities. At St. Clare the 5K students will be grouped with 1st grade students.

At St. Thomas the 3K-5K program meets at a separate time. Please see the preschool page on either the St. Clare website or the St. Thomas website for more information.
