

In order to volunteer with children in the arch-diocese of Milwaukee, you need to have gone through the safeguarding process, which includes a class (2-3 hours long, currently online) and a background check. Please contact Trista or Maureen and then follow the process below.

Safeguarding Process

If you have never done a safeguarding class:

Go to: **Archdiocese Website of Milwaukee**

Go to: **Ministry and offices**

Go to: **Safe Environment**

Click: **CMG connect**

Click: **Create an account**

Click: **My trainings**

Look under **"required trainings"**

Click on: Live training and Five Year Background Check

Both of those trainings need to be complete to be certified

Or if you have already taken the class and just need a background check:

click link <https://milwaukee.cmgconnect.org/>

Sign in

Go to "My trainings"

Under "Required training" will be a button for "5 year background check..."

Just click that and follow the steps from there.

Thank you for taking the time to do this. We value your commitment.
